SHELTERS.

There were no shelters erected during the year: The present shelters accommodate 696 persons.

These shelters are periodically inspected by the Sanitary Inspector in order to see that they are kept in a state of cleanliness.

PUBLIC HEALTH MATTERS RELATED TO THE WAR.

On the outbreak of War nine hundred and sixty six evacuees were received into the district. By December 31st. 1942 the total remaining numbered 110, such small numbers did not call for any extraordinary Public Health activity.

Mr. Reginald Over, Sanitary Inspector continued as A.R.P. Officer and in addition is Mortuary Superintendent, Casualty Officer and A.F.S. Officer.

I am, Gentlemen,

Your obedient Servant,

Sd. P. D. H. CHAPMAN.
MEDICAL OFFICER OF HEALTH.

ANNUAL REPORT OF THE SANITARY INSPECTOR FOR THE YEAR
1942.

To the
Chairman and Members of the Bridlington Rural District
Council.

I have the honour to present to you my eighth Annual Report of the Sanitary and other work carried out by your Sanitary Inspector during the year ended December 31st. 1942.

The total of inspections and visits made for all purposes during the year was 1711.

1. HOUSING ACT 1936.

During the year seventeen Housing Inspections were made and where necessary Informal Notices were served, thirty-nine revisits were carried out in connection with this work. Great difficulty was experienced in getting repairs carried out expeditiously owing to the shortage of materials and man power.

2. PUBLIC HEALTH ACT 1936.

Seventy Nuisances and complaints were received and dealt with.

Summary of Nuisances.

Dirty Dwellings.....	7
Insanitary Accumulations.....	18
Defective Pail Closets.....	9

3. MILK SUPPLIES.

There are two hundred and forty Cowkeepers, Producers and Wholesale Traders on the Register fifty of which are also Retail Purveyors of Milk. One producer is licenced for Grade "A" T.T. milk and one produces "Accredited Milk".

During the year two hundred and thirteen inspections of cowsheds and Dairies have been made and as a result of these inspections the following infringements have been dealt with:-

Accumulations of Manure Removed.....	26
Dirty Cowsheds Cleansed.....	43
Dirty Milking Stools Cleansed.....	19
Floors replaced or relaid.....	1
Dairies Cleansed.....	4

Water Supply was laid into three farms during the year the farms previously had to cart water a considerable distance.

4. MEAT AND FOOD INSPECTIONS.

As in the previous year the slaughtering of animals for food has been centralised in the Borough of Bridlington and the actual work of inspection has been carried out by the Meat Inspector of the Borough.

This has not done away with the supervision of Meat and Food Shops in the district and in connection with this work two hundred and twenty one visits have been made. It was found necessary to condemn the following articles of food which was found to be unfit for human consumption and were therefore destroyed.

33 lbs of Bacon.
20½ lbs of Pork Luncheon Meat.

1. The first part of the paper is devoted to the study of the properties of the function $f(x)$ defined by the equation

5. WATER SUPPLIES AND SUPERVISION OF WATERWORKS.

Two hundred and thirty one visits and inspections were made in connection with this work. Samples of water were taken from the Hunmanby and Flamborough water supplies for Bacteriological Examination and were found to be satisfactory.

6. FACTORIES AND WORKSHOPS.

There are forty seven Factories and Workshops on the Register and twenty one inspections have been made during the year.

7. PUBLIC SCAVENGING WORK.

The work in connection with the removal of household refuse and emptying of pail closets and privies is carried out by contract in the Parishes of Hunmanby and Flamborough. This was carried out satisfactorily by the contractors. Forty six visits were made during the year and all complaints dealt with.

8. SALVAGE.

During the year the collection of waste paper, Rags, Rubber, Bones and Scrap Metal was carried out and one hundred and forty two visits were made in connection with this work.

9. SUPERVISION OF SEWAGE WORKS AND DRAINAGE.

One hundred and twenty six visits and inspections were made during the year. No Major difficulties were encountered.

10. INFECTIOUS DISEASES.

During the year eight cases of Scarlet Fever and two cases of Diphtheria were reported, all these cases were visited, and instructions given, ten disinfections were carried out.

11. CIVIL DEFENCE WORK.

During the year five hundred and sixty five visits were made in connection with Civil Defence Work and my duties as A.R.P. Officer.

I again take this opportunity of expressing my appreciation to the Council for the consideration and support given me during the year, also to the Medical Officer of Health Dr. P. D. H. Chapman, the Clerk to the Council Mr. A. S. Makin and his Staff for their continued interest and valuable advice given in connection with my varied duties.

I am, Gentlemen,

Your obedient Servant,

Sd. REGINALD. A. OVER.
